State Representative Sponsors School Supply and Uniform Drive In Alief

(Houston, TX) -- State Representative Kristi Thibaut (D-Houston) will sponsor a school supply and uniform drive on Saturday, August 14th, from 9:00 a.m. to 12 p.m. at the Elsie Ninth Grade Center at 6767 S. Dairy Ashford St. Students will receive a voucher for a FREE school uniform, as well as a backpack filled with school supplies. Families will also be able to sign up for resources available through social-service agencies.

"Every student deserves the opportunity to excel in school. I'm hoping that this school drive will alleviate the burden families feel in having to purchase school supplies for their children," Thibaut said. "I am pleased to sponsor this school drive in the Alief area, and I hope it helps families make this school year a success." Funds raised have been comprised of varying private donations from companies within the community.

For more information on the school drive, please contact Natali Blevins at 281-498-4558.
